

ZOMBIE SNOWFLAKE PAPERCRAFT

INSTRUCTIONS:

WHILE FOLDING YOUR VERY THIN PAPER (TISSUE PAPER WORKS QUITE WELL) IN SUCCESSIVE EVEN HALVES IS EASY THE RESULT, AN EIGHT-TIPPED FLAKE, IS MORE AKIN TO A "HAWAIIAN QUILT" THAN THE "TRADITIONAL" SNOWFLAKE, WHICH, IT SO HAPPENS, IS A SIX-POINTED AFFAIR. THUS, THE FOLDING IS THE ONLY TRICK TO MASTER.

THIS PATTERN HAS SOME INTRICATE CUTS SO VERY SHARP SCISSORS AND STIFF, THIN PAPER WILL MAKE YOUR TASK EASIER.

* HMMMMM, HAWAIIAN ZOMBIE QUILT? IF YOU DO ONE, PLEASE LET ME KNOW. IT'D BE SPECTACULAR!!!
